

## **U13 Tennis**

Teams consist of 2 players from Year 7 and/or 8 for each gender team. All fixtures will take place on full-sized tennis courts and all players should bring a tennis racket with them for their use. Players of all standards and National Ranking are welcome.

This is a qualifying competition for the Greater Manchester School Games Finals in July. Please note players with a National Rating of 8.2 or lower are not eligible to play in the GM School Games (For further information, please use the link below <http://www.lta.org.uk/players-parents/Competition/AEGON-British-Tennis-Ratings-Guide/>) – so the team representing Manchester will be selected with this in mind.
